This range of equipment can be set to coin, token or card operated. These machines are tested to last for over 10,400 cycles. We also offer non-vended laundry equipment options, along with soap vending machines and single-use detergent packs. Get in touch to find the right setup for your park.

CASHLESS CONVENIENCE FOR YOU & YOUR GUESTS

Guests expect convenience and coins are quickly becoming a thing of the past. Our cashless payment systems make life easier for both operators and users:

- **Options for mobile payments, credit cards, and app-based top-ups**
- **Reduce staff time spent handling cash or dealing with coin jams**
- **Improve security and cash flow by eliminating the need to collect coins**

OPTIONAL INTEGRATION WITH SPEED QUEEN INSIGHTS™

Manage your laundry remotely, access machine performance data, and streamline support with a cloud-based dashboard.
